

# DIRECT DRIVE

Salmon Arm Driver Training

Date \_\_\_\_\_

(Date of first lesson after start-up)

## COVID -19 Pre-Lesson Screening Checklist

---

*Safely conducting driver training is essential...*

In order to minimize risk to students, instructors and the community, it is mandatory that we take a moment prior to each lesson to assess your current health and possible exposure risks.

In the past 14 days;

- Y    N    Have you experienced a fever?
- Y    N    Have you experienced a cough?
- Y    N    Have you experienced shortness of breath or difficulty breathing?
- Y    N    Have you travelled outside of BC?
- Y    N    Have you travelled outside of Canada?
- Y    N    Have you had close contact with individuals who think they may be “sick”?

I have read and understand these questions, and my answers are truthful to the best of my knowledge. I agree to abide by the safety protocols as directed by Direct Drive Training. I understand that the use of a protective mask is mandatory while I am in the training car. It is my understanding that before I step into the training car that it is sanitized for my protection. (All components that I could potentially come into contact with have been wiped down with disinfecting products) I agree to the use of hand sanitizer prior to entering the car. I consent to receive driver training under these conditions, I acknowledge that there is a risk in close proximity, and that the instructor and myself will conduct ourselves in a fashion that will minimize those risks to the best of our ability. If I am under 19, my parent or guardian must also sign consent below.
